### Accountability System Goals and Guiding Principles - 2015 and Beyond

#### **GOALS**

Texas will be among the top ten states in postsecondary readiness by 2020, by:

- Improving student achievement at all levels in the core subjects of the state curriculum\*;
- Ensuring the progress of all students toward achieving advanced academic performance\*;
- Closing advanced academic performance level gaps among student groups\*; and,
- Rewarding excellence based on other indicators in addition to state assessment results.

#### **GUIDING PRINCIPLES**

#### **Student Performance**

- The system is first and foremost designed to improve student performance.
- The system focuses on preparing students for success after high school.

# **System Safeguards**

The system uses safeguards to minimize unintended consequences.

### **Recognition of Diversity**

The system is fair and addresses the diversity of student populations and educational settings.

# **Public Participation and Accessibility**

- The system's development and implementation are informed by advice from Texas educators and the public.
- The system is understandable and provides performance results that are relevant, meaningful, and easily accessible.

# Coordination

 The system is part of an overall coordinated strategy for state and federal ratings, reporting, monitoring, and interventions.

### **Statutory Compliance**

The system is designed to comply with statutory requirements.

### Local Responsibility

- Districts are responsible for submitting accurate data upon which ratings are based.
- The system relies on local school districts to develop and implement local accountability systems that complement the state system.

# **Distinction Designations**

 Recognized and exemplary distinction ratings are based on higher levels of student performance rather than more students performing at the satisfactory level.

<sup>\*</sup> These goals are specified in Chapter 39.053(f) of the Texas Education Code.
